me: got to my new Williamsburg b-ball court this afternoon, was there for all of 15 minutes before a massive fight broke out
me: so it's not as crackerjack around here as I'd feared
BushwickBK.com: you hav enough public housing aroudn there for twenty years more of knife fights at least
me: not here
BushwickBK.com: bway/lorimer right?
me: I lived on Park betwixt like five projects and never did a fight break out on any day I played, which was most days during warm months
me: this was my second time attending this court
me: I'm off Union on 3rd st
me: near broadway, yeah, but a bit off from Lorimer
BushwickBK.com: k
me: anywho, it's a swell neighborhood, not many art kids around at all
BushwickBK.com: anyway point is, south wburg is a rough hood no many how many glass condos go up
me: I know, that's what I've learned
me: was worried initially that I'd be stuck in some douchehood having my precious ears filled with snippets of doucheversations about MAKING ART
BushwickBK.com: ironically you kind of just left that
me: not my old block, yo
BushwickBK.com: yeah well you managed to create your own world there
me: I did my part to scare the other crackers off
me: anywho, the reason I buzzed
me: I'm going to send you something in the next day or so
BushwickBK.com: oh nice, about what
me: wanted you to look it over and let me know your thoughts, suggestions
me: this is the announcement article for the project formerly known as 3Jane
me: finally met with True/Slant execs, they've offered assistance
me: software's being programmed and core should be ready in a couple of weeks
me: was finishing up some other stuff earlier, including book edits, but finally have time and resources to launch this
BushwickBK.com: sure, just gear it a bit oward the readers
me: but want you to give this manifesto a critical eye before I go out on a limb
me: oh, this is the one that will go up on a number of places, you can run it too if you'd like
me: I can also give you something else geared towards your readers, though
me: if your readers don't mind manifestos

BushwickBK.com: oh I misunderstood
me: yeah, just wanted you to make sure it doesn't read too insanely
BushwickBK.com: how about this, gear something toward bushwickers that links to your manifesto
BushwickBK.com: but yeah I'll chekc out your manifesto
me: okay, that's a good idea
me: should be done soon, will get back to you later, keep it realz
me: ^_____^
BushwickBK.com: later
